

UKCA Quality Assurance Certification **SI2016 No.1105**

SCHROEDAHL were approved one year before the expiry of the CE marking according to the Pressure Equipment Directive 2014/68 / EU for the new UKCA marking according to the Pressure and Safety Directive SI2016 No.1105.

We are compliant with UKCA and CE regulations up from now. We can submit the corresponding declarations as part of our standard documentation for EU and UK.

The certificate is available on
